

Annual SAYE & SIP Report Launch at the House of Commons

This year for the first time we will be launching our Annual SAYE & SIP Report at an exclusive and complimentary members-only reception at the House of Commons, from 3.30pm on Tuesday 25 June 2019. Our aim in doing so is to position all-employee share ownership ('ESO') and its benefits to employees, business and broader society right under the noses of influential parliamentarians and policy makers. We will be inviting a selection of ESO-supporting MPs from across the main political parties to the event.

The Rt. Hon. Stephen Kerr MP, a long-standing supporter of ESO, has kindly agreed to host the launch event in the Thames Pavilion. As the name suggests, the Thames Pavilion overlooks the river and if the weather is kind to us will offer some outdoor space as well.

Co-Sponsors of ProShare's SAYE & SIP Report Launch 2019

We're delighted that **Buck, Computershare, Equiniti, Link Asset Services and YBS Share Plans** have joined forces to co-sponsor this special event. Sponsors and their guests, and then other ProShare members, will have priority on ticket allocation, with a wait list in operation if required. The maximum capacity for the Thames Pavilion is 60 people and it's likely that places will go quickly. If you are a ProShare member and wish to apply for your place directly then please contact us at team@proshare.org

Expected timings	
3.30pm - 4pm	Registered attendees arrive (allowing time for security screening) and are escorted to the Thames Pavilion by House of Commons staff
4pm - 4.45pm	Introduction from the Rt. Hon. Stephen Kerr MP; other MP speakers TBC; commentary on report findings from Gabbi Stopp, ProShare. Hard copies of the report available to all attendees.
4.45 – 6pm	Drinks & canapes reception
6pm	Attendees to depart the House of Commons.

We'll also be showcasing a review of the SAYE & SIP Report results along with a panel discussion on Wednesday 17 July 2019 from 3.30pm – this is free for ProShare members to join, and £75+VAT for non-members. Booking for this event will open soon at www.proshare.org/events

Copies of the report will be available to ProShare members on request: team@proshare.org
