Introduction to ESO

Employee Share Plans and Share Ownership course dates for 2026 are confirmed! Our first session takes place on April 8th at the ProShare offices in London. This is a great opportunity for those new to share plans to learn and network in support of their knowledge and career.

This ever-popular full-day course covers a range of all-employee plans and is led by share plan experts from PwC, MUFG, Tapestry Compliance and Eximia.

[Find out more and register here](#)

This course provides 5 hours Continuing Professional Development (CPD). CPD Certificates can be provided to delegates who require them.

Upcoming Dates:

- Wednesday 8th April - London - **[REGISTER HERE](#)**
- Thursday 24th June - Non-London, location TBC
- Wednesday 14th October - London

ProShare's Gold members receive one **free** place place at every course we run! You can reserve your place, or find out more, by contacting us at team@proshare.org

Celebrating Excellence Agenda hot off the press

ProShare **Celebrating Excellence** returns on **April 16th**, generously hosted by **Aon** at their London offices.

Join us as we bring together this year's award winners to share the stories behind their achievements, the challenges they overcame, and what it truly takes to deliver excellence in employee share plans.

You'll hear insights from both our private and listed company winners, a fantastic opportunity for learning, inspiration, and networking with peers across the industry.

ProShare Conference: *Building for the Future*

We are very pleased to announce that this year's conference will be held on Thursday 24th September and, will be at a brand new venue! [Together at 88 Wood Street](#) is located in the heart of the City of London; with St Paul's, Bank, Moorgate, Liverpool Street and Barbican all within walking distance. We are excited to host you in this new location.

ProShare Conference

In a period of continuing uncertainty, we recognise that positive developments are still being made for the future; whether through AI and tech advances, or the UK government's focus on financial resilience

and creating more individual investors. ProShare invites companies and organisations of all sizes, industry leaders, and experts to contribute to an exploration of the topic '**Building for the Future**'.

Our conference will cover a topics of growth, including financial, economic, and personal, as well as productivity, development, and expansion across the wider employee share plan sector. This encompasses perspectives on equity, compensation and benefits for both listed and private companies.

Why participate?

- **Influence Policy and Practice:** Shape the conversation on how employee share ownership can drive economic and financial growth.
- **Showcase Innovation:** Highlight your company's - or your client's – successes and aspirations for the future.
- **Network:** Connect with industry peers, policymakers, and thought leaders.
- **Gain Insights:** Learn from diverse perspectives, compelling conversations, and expert case studies.
- **Get Advice:** *New this year* – with a VIP pass you'll be able to attend strategic roundtable discussions to address your own challenges with experts alongside your peers.

Important to Note:

- **Submission deadline – 5.00pm Friday 29th May 2026**
- To apply for a speaking session or to host a strategic roundtable, please share a basic first draft of your proposed session(s). Please send an email to team@proshare.org with the completed submission template.
- We will be accepting 3 submissions per organisation under each category (session/roundtable), so ensure you submit your strongest topics and speakers!
- We do hope you take this opportunity to contribute to an essential discussion on growth and employee share ownership. The number of submissions received often outstrips the time available on the day. If we can't fit your proposed session into the conference schedule, then we may suggest a standalone webinar or roundtable discussion as an alternative way of giving great topics and engaging speakers the opportunity to interact with ProShare's growing audience.

For more information and to download the submission form go to [ProShare Annual Conference](#)

Many thanks for your continued support of ProShare!

Sophie Altaf
